

PRESS RELEASE

See summer out with a bang in Northampton town centre

30th August 2016 – The final event in a trio of Summer Fun Days will take place in Northampton town centre this Saturday, with circus skills ranging from stilt walking to acrobatics in the Market Square, All Saints Piazza and Abington Street.

On Saturday 3rd September from midday to 3pm, a series of performances are set to delight audiences young and old. Stilt walkers will tower above Northampton town centre's streets, while ribbon poi practitioners are set to dazzle with their high-speed skills. Acrobatics and juggling will also be on display, along with a Brazilian blend of martial arts, music and dancing from Northampton Capoeira.

This is the third and final Summer Fun Day jointly organised and funded by Northampton Town Centre Business Improvement District (BID), Northampton Borough Council and Starbucks. Each event aims to encourage more visitors into the town centre, and to showcase Northampton's exciting cultural and creative offer, with plenty of local performers present

Nadim Choudary at Starbucks, said: "Our mission is to inspire and nurture the human spirit—one person, one cup and one neighbourhood at a time. By working with the council and Northampton town centre BID to organise these events, we're playing an active role in helping to make Northampton town centre stand out, and offering something different to our neighbours. We've got a great line-up of circus-inspired performances for this Saturday, and we're hoping plenty of people will make their way into the town centre to enjoy them."
